**The Baltic States are one of the greenest countries in the world - wild forests, sand dunes and countless lakes.**

Start your journey with exciting off-road safari activity – we will take you out of the city to wild forests where you will have a possibility to try real off-road driving down steep and sand dunes, through water, mud and tacking among pine trees. Don't be afraid to stuck in a mud or river – this will be one of the most exciting moments! Our experienced instructors will help you to get out and to be on a time at your picnic spot. Lunch by the bonfire and wild beast feast will introduce you with local hunting traditions.

After 4 hours driving you will reach the hunter's house in the middle of nowhere, where famous Latvian survivor and nature-expert will meet you and take for a hike through the wild forests. You will learn how to survive in a forests picking up local berries and mushrooms, getting the water from air and from trees – during the early spring famous Latvian birch-sap will help you to survive.

For the bravest ones we offer "extra-survival" program – getting into the wild without any food and drinks, you will have to get everything by your own. Under the guidance of our survival-expert you will learn to catch fishes by hands, make a fire-place without matches, and spend the night into wild forests – even in winter time.

After a long time spent in woods Latvian Bath experience will help you to relax, refresh and regain your strength. Latvian spend the night into wild forests will guide you through all the process – they will introduce with steam house traditions, how to make besoms out of different trees and plants and will explain their purposes.

Billions of stars, incredible silence and challenging with yourself will make your trip to Latvia unforgettable. Reveal your boundaries with getting into the wild!
